

New Concentration. Same Reputation.

Relco Locomotives has streamlined our business to concentrate on our tradition of remanufacturing, rebuilding and repairing locomotives to either OEM or Customer specifications. Our state-of-the-art production facilities and

equipment will get your locomotive back on track in less time, for less money. Since 1961, Relco has been the trusted source for all of your locomotive sales, leasing, maintenance, remanufacture, repair and rebuilding needs.

MANUFACTURING • REMANUFACTURING • REPAIRS • ON-SITE MAINTENANCE • LEASING
